VIRGINIA CAREER AND TECHNICAL EDUCATION HALL OF FAME

MISSION

The mission of the Virginia Career and Technical Education Hall of Fame is to honor, preserve, educate, and promote . . .

To honor individuals (educators, business leaders, and public and elected officials) who have made outstanding and long-lasting contributions and noteworthy achievement(s) in the field of career and technical education;

To preserve professional historic contributions, information, documents, and artifacts that have shaped Career and Technical Education programs;

To educate the public regarding the origin, development, growth and evolution of Career and Technical Education as an important part of education, work force and economic development and culture in a global economy; and

To promote the positive values of Career and Technical Education in the eight Career and Technical student organizations in the Commonwealth of Virginia.

Thomas Brewster, VCEF Board Chair, and Deputy Superintendent, Pulaski

Betsy McClearn, ed.biz, Director, Center for College and Career Services, Salem

Chad Ratliff, Asst. Director of Instruction & Innovative Projects, and CTE Advisory Committee, Albemarle

Dr. Emily Richardson, VCEF President, Williamsburg and former CTE Director, Suffolk

Teresa Simpson, VACTEA President, and CTE Director, Essex

Dear Prospective Sponsor/Supporter:

The Virginia Career Education Foundation (VCEF) is pleased to announce the Virginia Career and Technical Education Hall of Fame program. The mission of the Hall of Fame program is provided in this informational packet.

The overarching goals of the Hall of Fame program are to annually honor individuals who have made outstanding and long-lasting contributions in the field of career and technical education; preserve professional historic contributions; educate the public; promote the positive values of career and technical education in the Commonwealth of Virginia; and develop a means of raising funds to support the eight Career and Technical student organizations.

We invite you to review the levels of sponsorship listed on the back page of this brochure and determine what level of support you would like to provide in creating the Virginia Career and Technical Education Hall of Fame program in our state. Your financial support is essential in the creation of this program, and we welcome your input and questions. A member of the Inaugural Hall of Fame Committee, as indicated on the letterhead, has already made an initial contact and will be following up once you have received this packet.

In addition, we welcome nominations from supporters and have included a nomination form as part of this packet of information. We look forward to further discussions and hope that you will help create a program that will bring recognition to career and technical education while providing financial support for Virginia career and technical student organizations.

Thank you for giving this request favorable consideration. Let's make Virginia's Career and Technical Education Hall of Fame a hallmark in our state.

Respectfully yours,

Virginia CTE Hall of Fame Committee Member
